Calls for explanation

Letter — From Municipal Commissioner

states that there are 66 silt-carts and 4 cesspit carts on Rs 60- each p-m in Health Section of the Municipality

b) The question of Municipalisation of the Control over the silt-carts, purchase of necessary Bullocks, carts etc, is separately under correspondence

Ur — a) The proposal is to keep in a Sanitary condition the water front Extension for this, an establishment as noted in the margin has been asked

one Superintendent Rs 150 p m
four Sweepers Rs 12 p m
eight Carmen Rs 60 p m

for, involving an extra outlay of Rs 1452 p a, excluding the grant of Dearness allowance now given

This means a recurring expenditure of Rs 1452 p a on the P.L funds

b) It may be noted in this connection that there are 1048 sweepers under the City at present. Of these 100 have been employed recently in accordance with

the first order dated 10 2 1945. In a
few cases, it should be possible to de-
cart of the large establishment sanctioned of 1048 ha
to depute 4 Sweepers for work and this esta
without asking for a separate establishment of
4 hands for this purpose, by a suitable
adjustment of the available hands further,
there is a temporary establishment of 108 hand
Sweepers entertained for weekly intensive clean
ing. It should be possible to dispense with
these Sweepers for work in this area without
asking for addl hands
11) As regards the Carts, it is stated that there
are 70 carts in all available. Further,
there is a proposal municipalizing this system
of removal of rubbish & some addl carts have
been already purchased. Two addl Ford lorries
have also been ~~ordered~~ for the removal
of rubbish in the Delhi area & it is not thought
necessary to sanction any addl cart Especially
for this work
12) Similarly, a dispensation of
the existing number of hands might
suffice for work in this area, by a
suitable adjustment of the various

1525 213

13) The opinion of the Auditor on the report of the Asst Comptroller who examined the M[unicipal] finances has yet to be received pending receipt of this opinion, it would be desirable to defer the meeting of extra copies

14) Asst reply as amended for appl. Rec'd for 9/12/46

15) We have perhaps to go slowly in the matter of increasing Expre under Establishment. I am inclined to agree with the Less[r] Sec's note above, that by a suitable readjustment of duties assigned to the Existing Staff of Sweepers & Scavengers, it is not difficult to keep the Wilson Garden Extension clean & tidy. No Extra Staff need be sanctioned pending receipt of a report on the Examination of M[unicipal] finances by the Audit Staff
